DJ's Off-Road Adventures

David McBee 2021-09-10

999 Days Around Africa

Dan Grec 2019-05-06 Join photographer Dan Grec on his epic 999 day expedition circumnavigating the entire African continent. With vibrant images from 35 African nations, Dan beautifully captures the warmth and happiness of everyday people, the wild surprise of safari and the astonishing landscapes found throughout the mighty continent. Covering 54,000 miles, Dan fulfilled his life-long

dream of exploring Africa while living, cooking, sleeping and traveling at the helm of his Jeep Wrangler Rubicon. A must for any adventurous spirit, you will be captivated by images of Africa and her beautiful people, and may just begin your own grand African adventure.

DJ's Off-Road Adventures

David McBee 2020-04-10

When DJ decided to finally go for his dream, he was made fun of by some bullies. This made DJ wonder if he would ever overcome his fears to become a real off-roader. DJ Faces His Fear is based on the true story of the author's trip to Moab, Utah, where his friends helped him overcome his anxiety and fears.

The Road Chose Me Volume 1

Dan Grec 2018-05-05 When Dan set out to drive his Jeep from the Northern tip of Alaska to Tierra del Fuego on the Southern tip of South America, he had no idea how much the

adventure would change his life. Over the course of two years, Dan's expedition spanned forty thousand miles through sixteen countries. Now he will never be the same. After years of saving, dreaming and planning, Dan wanted to find out if an ordinary guy can achieve the extraordinary. With no sponsorship, a modest savings account and a willingness to learn Spanish, Dan threw himself in. Going solo, with no GPS and sleeping in a ground tent, Dan wanted to experience everything the Americas have to offer. From poking lava with a stick and hiking among world-famous mountains to corrupt military and camping with Ecuadorian locals - every day provided something new. With his eyes and ears open to the world around him, Dan met many interesting and thought-provoking characters. With their guidance and prodding, and by using their unique perspective, Dan was able to learn many valuable life lessons. Running to the beat of a different drum, Latin America

was the perfect classroom for Dan to view our modern work-a-day world through an entirely new lens.
